Mr. Joseph hauled her in and will leave her on the beach to dry out.

**During Change of Life, says Mrs. Chas. Barclay**  
Graniteville, Vt.—"I was passing through the Change of Life and suffered from nervousness and another annoying ailment. I had heard of Lydia E. Pinkham's Vegetable Compound and can truly say that Lydia E. Pinkham's Vegetable Compound has done for me what no other medicine has. It has restored my health and strength. I never forget to tell my friends what Lydia E. Pinkham's Vegetable Compound has done for me. Complete restoration to health means so much to me that for the sake of other suffering women I am willing to make my trouble public so you may publish this letter."—Mrs. CHAS. BARCLAY, R.F.D., Graniteville, Vt.

No other medicine for woman's ills has received such widespread and qualified endorsement. No other medicine we know of has such a record of cures of female ills as has Lydia E. Pinkham's Vegetable Compound. For more than 30 years it has been curing female complaints such as inflammation, ulceration, local weakness, fibroid tumors, irregularities, periodic pains, headache, indigestion and nervous prostration, and it is unequalled for carrying women safely through the period of change of life. It costs but 50 cents a bottle. Lydia E. Pinkham's Vegetable Compound, and as Mrs. Barclay says, it is "worth mountains of gold" to suffering women.
